

## **Maritime Greenwich World Heritage Site Executive**

### **TERMS OF REFERENCE**

To implement the Maritime Greenwich World Heritage Site Management Plan.

To implement decisions of the World Heritage Site Partnership and to provide direction to the World Heritage Site Partnership on strategic issues and new initiatives.

To develop and agree policies and codes of practice for the protection, recording, research, access, interpretation and preservation of the World Heritage Site, and encourage the adoption of such policies by responsible bodies and agencies.

To agree, oversee and review periodically the Management Plan goals, objectives and action programme and where necessary revise and update these in the light of changing requirements.

To establish priorities for developing specific aspects of the Management Plan; and to give direction on operational issues.

To maintain the high quality of the individual assets of the World Heritage Site and to maintain its attributes of Outstanding Universal Value.

To establish joint standards for managing the fabric of the World Heritage Site.

To seek collectively to maximise public access to the World Heritage Site and to promote public knowledge and understanding of the Site.

To consider new challenges and opportunities.

To establish and agree terms of reference for Task and Deliver project groups to take forward actions relating to specific areas of the Management Plan or new initiatives.

To ensure that appropriate co-ordination and administrative arrangements are in place to effectively support the management of the Site by the Executive.
